

Balance Report

The profilingsvalues Balance Report stands out from the familiar profilingsvalues Report due to its in-depth, detailed analysis. Being a report format that captures the deeper meaning, balance, and inner harmony of a person, it can provide diverse and comprehensive information for company health management programs, personnel development, and personnel selection.

THE BENEFITS AT A GLANCE:

- A deeper analysis than with conventional report formats
- Clear depictions of a person's current state with regard to the prevailing personal values and attitudes
- Special focus on occurring imbalances and available resources
- Very broad range of use in the areas of health management, coaching, development, training, and HR selection

HOW TO ORDER THE LICENSE FOR THE BALANCE REPORT:

- One-time activation fee of 999 EUR
- Unrestricted right of use, can also be used retroactively on previous profilings
- No fixed costs or limitations
- The Balance Report Manual and interpretation support are included
- The license can be ordered on our homepage under Additional Offers or using: https://www.profilingsvalues.com/registration_license_balance_report.html

We wish you every success and satisfaction in using and marketing the Balance Report. Your comments and suggestions are always welcome.
