

Team Overview

The profilingsvalues Team Overview is a special report format for working with teams or groups which examines their composition, emergence, and development. The Team Overview can be used for team development as well as for selection and recruiting.

THE BENEFITS AT A GLANCE:

- The enhanced graphic design provides a better overview, a more attractive layout, and more significant information
- No maximum limit for team size
- Display of individual results with guaranteed anonymity (up to 50 persons). The participant allocation key is available to the process owner
- 7 new team factors, decisive for successful cooperation and team performance, have been developed
- Integration of the latest scientific findings
- The illustrations can be intuitively understood

HOW TO ORDER THE LICENSE FOR THE TEAM OVERVIEW:

- One-time activation fee of 699 EUR
- Unrestricted right of use, can also be used retroactively on previous profilings
- No fixed costs or limitations
- The Team Overview Manual and interpretation support are included
- The license can be ordered on our homepage under Additional Offers or using: <https://www.profilingsvalues.com/registration-license-team-overview.html>

With the abundance of information and graphics from the Team Overview, inspiring workshops and discussions are pre-programmed. We wish you much success with the Team Overview and a worthwhile addition to your portfolio.
